ABOUT US

Welcome to DPI World Shipping, your trusted global freight partner. With a passion for logistics and an unwavering commitment to excellence, we have established ourselves as a leading player in the world of shipping and cargo services. At DPI World Shipping, our story is one of innovation, reliability, and a dedication to our customers' needs. We understand that your cargo represents not just goods, but opportunities, connections, and promises to be kept. Our journey, which began as a humble freight provider, has evolved into a global enterprise driven by the desire to deliver, and a mission to make logistics smoother for you.

OUR CORE VALUES

Excellence

Reliability

Innovation

Safety

Customer-Centric

Our team, spread across the globe, is committed to managing your cargo with care and precision. We have the experience, resources, and global partnerships to ensure the seamless flow of your goods, whether by air, sea, land, or a combination of these modes. With DPI World Shipping, you're not just a customer; you're a partner in our journey. We're here to support your logistics needs and make your supply chain efficient, secure, and cost-effective. Join us as we continue to redefine the world of shipping and freight services.

SERVICES WE OFFER

At DPI World Shipping, we provide a comprehensive range of logistics services to meet your diverse transportation and shipping needs. Our commitment to excellence and customer satisfaction drives us to offer the following services:

01

Air Freight: Trust us for fast, efficient, and cost-effective air cargo services that keep your goods moving along the supply chain. We have a global network and strong relationships with airlines to secure space on numerous flights.

02

Sea Freight: We offer time-definite sea freight services for Full Container Loads (FCL) and Less Than Container Loads (LCL) worldwide. Benefit from our close partnerships with major shipping lines and real-time visibility of your shipments.

03

Road/Land Freight: Our fleet of various types and sizes enables us to handle all types of cargoes professionally. We offer cross-border trucking, domestic distribution, emergency delivery, and more.

04

Multimodal Freight: We provide a combination of air, sea, land, and rail freight services for efficient and cost-effective cargo transportation.

05

Warehousing and 3PL Logistics: Our state-of-the-art warehousing facilities and customized logistics solutions optimize your supply chain, ensuring the security and efficiency of your inventory.

06

Dangerous Goods Handling: We specialize in handling hazardous cargo, ensuring safety, regulatory compliance, and the use of specialized equipment.

07

Import and Export Documentation: Let us simplify the complex world of customs and border regulations. We take care of all your import and export documentation requirements, ensuring a smooth customs clearance process.

Special Services: From scheduled import consolidation for air freight to sea freight LCL consolidation and handling Non-Operational Cargo (NOC) shipments, we have specialized solutions to meet your unique logistics needs.

At DPI World Shipping, we stand by our core values of excellence, reliability, innovation, safety, and being customer-centric. With our global presence and industry expertise, we're committed to providing you with top-tier logistics services. Your cargo, your commitments, and your goals are our priority. Join us, and let's make logistics work for you.

AIR FREIGHT

Shipping your cargo by air with DPI World Shipping Services will keep goods moving at optimal speed and efficiency along the supply chain. As one of the leading airfreight forwarders in the world, we offer our Air Freight Services with 3 main benefits: Value, Speed, at Low Cost.

GET THE DPI World Shipping Services ADVANTAGE

We have established a professional air cargo services team spreading around main airports in the UAE, Middle East, Africa, Southeast Asia, Far East Asia Europe, Russia, Australia, North America, Central & South America. And we are capable of handling import & export shipment from/to any parts of the world. To satisfy your demand of space allocation and competitive price, we have kept strong

contractual relationship with airlines, agent and partners major carriers that secure space on hundreds of flights and we offer charter flights for your larger consignments.

Our worldwide portfolio of preferred carriers, chosen for their professionalism, reliability and capacity, is complemented by the best local carriers, help us maintain peak and off-peak transit consistency

We offer peak season charters, express clearances, 24x7 dedicated vehicles for door-to-door delivery. And we have the expertise and experience to meet your most demanding logistics challenges

Our consolidations are fixed schedule and time definite, using only premium carriers with multiple departures per week from all major airports in every region

SEA FREIGHT

DPI World Shipping Services provides time definite, innovative sea freight services for both Full Container Loads (FCL) and Less Than Container Loads (LCL) shipments worldwide. As one of leading sea freight forwarders, we can handle large volumes on a global basis or specific requirements on a single route at any time and to any destination. We can manage your shipments on an individual basis or as part of an integrated supply chain solution

GET THE DPI World Shipping Services ADVANTAGE

Benefit from DPI World Shipping Services Attractive service contract, cost-efficient and best-in-market rates with all Major Shipping Lines, fast and reliable transit time, security, and worldwide service from our close partnership with premier sea carriers.

We provide Real-Time Visibility of all information in order to ensure your e-commerce, logistics and supply chain operations are operating at peak efficiency

For your benefit of safe and accurate movement, we operate our own Container Freight Station (CFS) in many base ports. Our carriers contractual relationships ensure loading priority for all your sea shipments.

When congestion becomes an issue, our local experts work with you to book capacity and finds the most effective alternate routing, minimizing delays and ensuring that goods arrive when needed.

SEA-AIR

Sea-Air combined transport has evolved as a popular mode of shipment over the last three decades. Shipments arrive at their destination twice as fast as ocean freight and at half the cost of air freight. We are pioneers in handling Sea-Air traffic and guarantee some of the quickest transit times achievable. Well planned journeys and real time information to partners and clients, through close monitoring of shipments, ensures that delivery times are always met:

24 hour turn-around time from the time of the shipment arrival at the UAE port.

Depending on the nature of the shipment, we arrange a pre-clearance / or customs clearance upon release of the delivery order for LCL logistics.

DPI World Shipping Services also has range of value-added freight management services
FULL CONTAINER LOAD CONSOLIDATION

Benefit from DPI World Shipping Services FCL handling in terms of attractive rates, transit time, security and service worldwide from our close partnership with premier sea carriers.

Our value service is designed for customers seeking the most effective “Full container load” (FCL) sea freight option, while still meeting important time schedules.

DPI World Shipping Services delivers FCL shipment anywhere worldwide.

ROAD/LAND FREIGHT

DPI World Shipping Services operates various types and size of fleets, which enables us to move all size and types of cargoes (in-gauge, Out of gauge) through land.

GET THE DPI World Shipping Services ADVANTAGE OUR EXPERIENCED TRANSPORT TEAM MOVES ALL TYPES OF CARGOES PROFESSIONALLY:

DPI World Shipping Services PROVIDES INTEGRATED TRANSPORT SUPPORT

- » Cross Border Trucking (GCC)

WAREHOUSING AND 3PL LOGISTICS

Efficient Warehousing and Logistics Solutions

At our core, DPI World Shipping Services LLC is dedicated to optimizing your supply chain. Our warehousing and third-party logistics (3PL) services are crafted to deliver unparalleled efficiency and reliability, providing the essential support your business needs.

What We Offer:

Secure Warehousing Facilities: Our state-of-the-art warehousing facilities are designed with security in mind. From climate-controlled storage to advanced surveillance systems, your inventory is protected around the clock. We understand the importance of a secure home for your goods.

Customized Logistics Solutions: No two businesses are alike, which is why we tailor our logistics solutions to match your specific requirements. From inventory management to order fulfillment, our services are designed to optimize your supply chain

DANGEROUS GOODS HANDLING

Specialized Handling for Dangerous Goods

When it comes to hazardous cargo, safety is our paramount concern. Our team of experts is rigorously trained to handle and transport dangerous goods, ensuring compliance with all safety regulations and international standards.

What Sets Us Apart:

Safety Protocols: We implement stringent safety protocols for the handling of dangerous goods. Our experienced personnel are well-versed in the proper packaging, labeling, and transport of hazardous materials, guaranteeing the safety of your cargo and those involved in its handling.

Regulatory Compliance: Our commitment to safety extends to full compliance with all relevant regulations and guidelines. We take the complexity out of shipping dangerous goods, ensuring that your cargo reaches its destination without a hitch.

Specialized Equipment: We invest in specialized equipment to meet the unique requirements of handling dangerous goods, making sure that each shipment is handled with precision and care.

IMPORT AND EXPORT DOCUMENTATION

Effortless Import and Export Documentation

Navigating the intricate world of customs and border regulations can be a daunting task. At DPI World Shipping Services LLC, we simplify the process by taking care of all your import and export documentation requirements.

Our Comprehensive Documentation Services Include:

Accurate Import and Export Documentation: Our team of experts ensures that all documentation is meticulously prepared and submitted. This includes bills of lading, commercial invoices, certificates of origin, and any other necessary documents, guaranteeing a smooth customs clearance process.

Assistance with Regulatory Compliance: Our professionals are well-versed in the ever-evolving landscape of international trade regulations. We provide guidance and support to ensure your cargo complies with all necessary regulations, reducing the risk of delays or complications.

SPECIAL SERVICES

Weekly Scheduled Import Consolidation - Air Freight: We specialize in organizing weekly scheduled import consolidation services for air freight, connecting major trade hubs such as China, Hong Kong, the UK, USA, and Canada to the United Arab Emirates (UAE). Our expert team ensures the safe and timely delivery of your cargo.

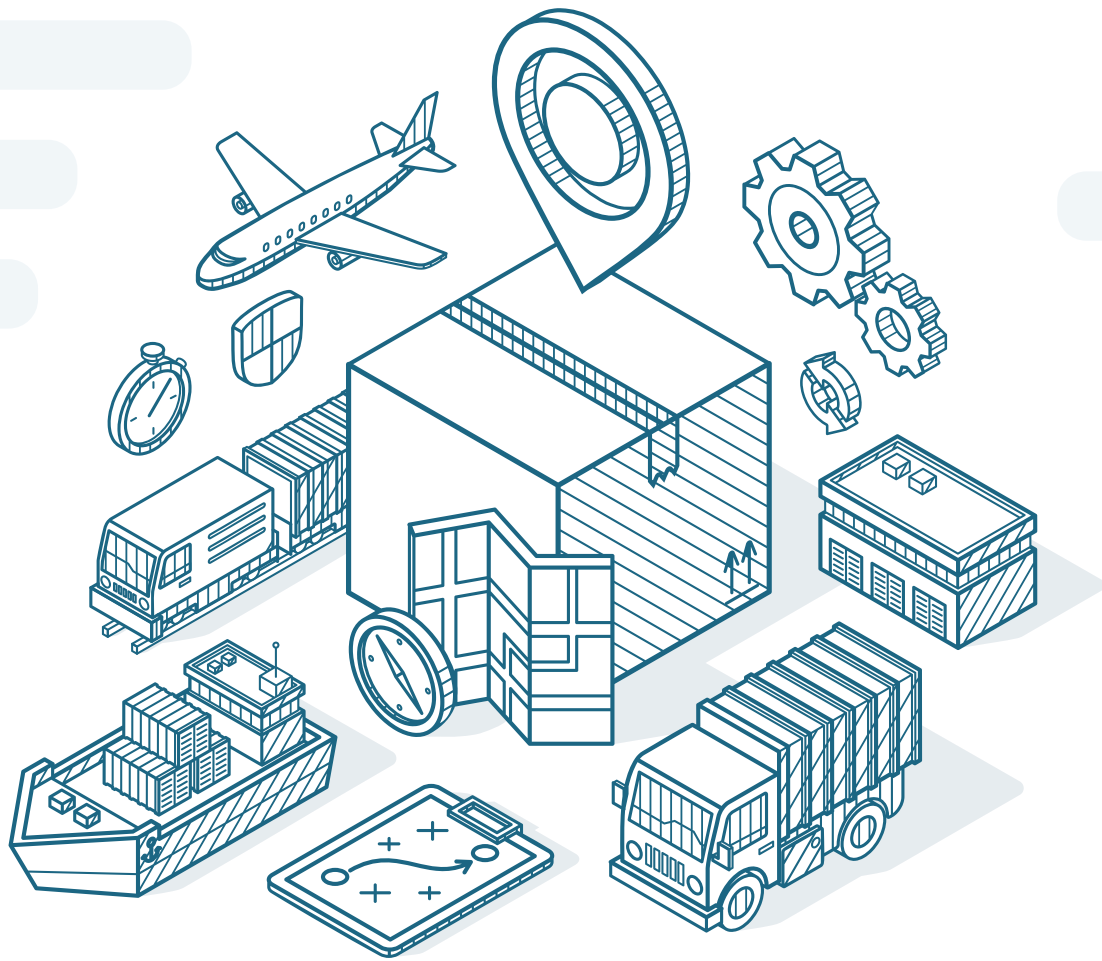

Sea Freight LCL Consolidation: DPI World Shipping Services LLC offers cost-effective Less-than-Container Load (LCL) consolidation for sea freight. Whether you're shipping smaller cargo quantities or have less-than-urgent timelines, our sea freight services guarantee efficient and secure transportation.

NOC Shipments & DO Release: We handle Non-Operational Cargo (NOC) shipments and Document of Release (DO) processes with precision. Our experienced team manages the necessary documentation and regulatory compliance, making your logistics experience hassle-free.
